

GEO · kood.work

No-payment test report · homepage technical check

Scope and limitations

Score	75/100
Method	Heuristic checks of homepage HTML and selected robots.txt rules. Does not test AI answers or citations.
Generated file	llms.txt draft from page metadata and discovered sitemap pages, not a full-site content extraction.

Crawling and snippet settings

OAI-SearchBot	No root block detected
PerplexityBot	No root block detected
Claude-SearchBot	No root block detected
nosnippet / noindex	No blocking meta tag detected

Scored factors

Main content in homepage HTML	Detected · 25/25
Quote elements	Not detected · 0/10
Numbers and statistics	Not detected · 0/15
At least two external source domains	Detected · 15/15
Contacts or structured data	Detected · 15/15
Date markup	Detected · 20/20

Recommended next steps

Quote elements	Add relevant, genuine attributed quotations with sources. Do not add quotations just for the score.
Numbers and statistics	Publish useful verifiable figures with sources and periods; never invent statistics.
Human review	Review generated facts and links before publishing. Repeat the check after improvements.

Hygiene (not scored)

sitemap	Detected
llms.txt	Detected
JSON-LD	Detected
Keyword repetition penalty	0

> Browser tools and Estonian company reports for small-business owners, freelancers and developers. Convert images, share files, check domains and discover kood talent.

Pages

- [talk — kood.work forum](https://kood.work/forum): Threads in the talk category on the kood.work forum.

- [Talent — kood.work](https://kood.work/talent): Browse kood graduates and builders. Search by skills, location, and stack to discover engineers, designers, and product talent.

- [make.kood.work — jobs & gigs](https://kood.work/work): kooding gigs, jobs and projects offers from the kood network.

- [Events — kood.work](https://kood.work/events): Meetups, hackathons, and talks from the kood community. RSVP and host your own events.

- [Feed — kood.work](https://kood.work/feed): The latest posts from kood builders. Share what you're shipping, learning, and exploring.

- [Dashboard — kood.work](https://kood.work/dashboard): Your kood.work network, messages, bookmarks and applications.

- [Manual — what kood.work is and how to use it](https://kood.work/manual): A short guide to kood.work: who it's for, how the forum, profiles, talent and events fit together, and how to get the most out of the community.

- [Cool — useful links · kood.work](https://kood.work/cool): A community-curated collection of useful links for kood students and builders. Maintained by admins and moderators.

- [Invite links — extra bonuses on signup · kood.work](https://kood.work/invites): Referral and invite links shared by the kood.work community. Sign up through them to get extra credits, trials and bonuses on the tools we actually use.

- [Blog — kood.work](https://kood.work/blog): Notes from kood.work: why it exists, the alumni marketplace, and kood going international.

- [Tools — kood.work](https://kood.work/tools): Tiny browser-only utilities for builders: image compressor, QR generator, and more on the way.

- [imageZ — HEIC to JPG, image converter & compressor | kood.work](https://kood.work/tools/imagez): Convert HEIC, WebP, AVIF, PNG to small JPEGs and compress photos in bulk, right in your browser. No upload, no cookies. Saada meil, mis mahub tasku.

- [Online notepad — private, Markdown, no signup | kood.work](https://kood.work/tools/notepad): Free online notepad with Markdown preview, find & replace and .txt/.md/.html export. Notes stay in your browser — no account, no cookies. Tasuta veebimärgmik.

- 20 - [MP3 / MP4 to SRT subtitles — Estonian & English | kood.work](https://kood.work/tools/subtitles): Turn an MP3 or MP4 into .srt and .vtt subtitles. Audio is extracted in your browser; the video is never uploaded. Subtiitrid eesti ja inglise keeles.
- 21 - [Motion Lab — WebM, HTML & JavaScript exports | kood.work](https://kood.work/tools/motion-lab): Animate text and code with a text or LED-dot screen in your browser. Export WebM, sandboxed embeds, standalone HTML and JavaScript with Motion Lab at kood.work.
- 22 - [kood.drop — send photos from phone to PC, auto-shrunk | kood.work](https://kood.work/tools/drop): Saada pildid, mis mahuvad tasku. Send photos from your phone to any computer with a 4-digit code. Auto-compressed to <500 KB, device-to-device, anonymous.
- 23 - [QR Code Generator — kood.work](https://kood.work/tools/qr-generator): Create QR codes for URLs, WiFi, email, phone and SMS. Customize colors and download PNG or SVG — all in your browser.
- 24 - [Password & passphrase generator, quantum-safe — kood.work](https://kood.work/tools/password): Strong random passwords and passphrases made in your browser with Web Crypto. Quantum-safe mode gives 256-bit entropy (128-bit even against Grover).
- 25 - [Workdays & invoice due date calculator (Estonia) — kood.work](https://kood.work/tools/workdays): Count days to or from any date, Estonian business days with public holidays (riigipühad), and invoice due dates for 7, 14 or 30 days.
- 26 - [GEO & llms.txt preview for your website — kood.work](https://kood.work/tools/llms-generator): Free AI-readiness check for your website: can ChatGPT, Perplexity and Claude crawl and quote it? Plus the first ten lines of your llms.txt. Full reports aren't available yet.
- 27 - [GEO for Estonian businesses — get named in AI answers | kood.work](https://kood.work/geo): Generative Engine Optimization explained simply: how a small Estonian company gets named and cited by ChatGPT, Perplexity, Gemini, Claude and Grok. Free AI-readiness check.
- 28 - [X search — recent source-linked posts | kood.work](https://kood.work/tools/x-search): Search public X posts by phrase. Up to five recent source-linked results, newest first, for signed-in kood.work members.
- 29 - [Marketplace — apps and projects by kood alumni · kood.work](https://kood.work/market): Browse SaaS apps, templates and whole projects built by kood.tech alumni, students and mentors. Every listing is tied to a real, verified builder profile.
- 30 - [Log in — kood.work](https://kood.work/scout): Sign in to your kood.work account.
- 31 - [Domains & companies — WHOIS and Estonian Business Register · kood.work](https://kood.work/companies): Look up domain registration records with official RDAP sources and find Estonian companies in the Business Register.
